

Mzansi Kwaito & House Music Awards

July 2017

Press Release

2ND Annual Mzansi Kwaito & House Music Awards presented by MKHMA Management

Press Release:

The Mzansi Kwaito & House Music Awards nomination process is now open. The entries will be open from the 1st July – 30th August 2017 and no late submission will be admitted.

The artists are requested to ensure that they submit quality music and videos. All entries should be posted to the address specified on an entry form as no entries should be e-mailed otherwise they will be disqualified.

The CEO and the Founder of MKHMA Perfecta Khumalo encourages the upcoming artists and legends of Kwaito & House to enter. She says this should showcase their art work and talent. “As many people think that Kwaito died long time ago, this will prove that this is just a myth, we still have legends and upcoming Kwaito artists who are producing unique and good kwaito”.

The MKHMA team is planning to have the nominations party on the 24th September 2017 on Heritage day and the venue will soon be announced. “We want to make this nomination event a success,” says Perfecta Khumalo.

The theme for this event will be Spantsula, Mathand’ekhishini and All Star. When we asked the CEO (Perfecta) as to why this theme she said, “Siselokishini bafowetho, we need to show off who we are, our history. We are talking kwaito & house here and therefore we need to represent our culture. This is the only event that it’s unique on its own”.

The entry forms can be downloaded on our website: www.mzansikwaitohousema.co.za

The MKHMA are to honor the upcoming and legends who have been flying the flag high of these genres. This year’s event will be hosted on the 25th November 2017 at Walter Sisulu Square in Soweto. Unlike last year, this year’s awards have 17 categories. All categories will be voted by public through SMS line which will charge R1, 50 per SMS, they will decide who the best is and the winners will walk away with the unique award/trophy worth R5000.
